From El Paso to the World
EXPORT FORUM 2014

Export Forum 2014 El Paso, TX is a unique opportunity for leading OEMs in Mexico and potential suppliers to meet and identify new business partners. At the same time, through forum sessions, you will learn about how Foreign Trade Zones help improve global manufacturing and streamline the supply chain dynamics for Mexican maquiladoras.

Forum Sessions

Industry experts on US & Mexico trade will make presentations during the event to help newcomers and experienced executives shape their business, trade, and manufacturing strategies in El Paso and Ciudad Juarez.

- You will hear from industry leaders about the fascinating growth and the opportunities to participate in the booming automotive, aerospace and electronics industries supply chains in Mexico.
- Understand how a Foreign Trade Zones can help those that have not attained the Value Added Tax Certification.
- How Foreign Trade Zones work with Maquiladoras for ultimate cost savings.

B2B Meetings

Export Forum 2014 will match potential buyers and suppliers in pre-arranged, one-to-one, private meetings. The program will allow participants to identify new potential business partners and request meetings based on their choices.

- OEMs will have a B2B location at the event and suppliers will meet with them in 15 minute intervals. This format will make it very efficient for OEMs and suppliers to come together, network and make new business connections.

De El Paso al Mundo
EXPORT FORUM 2014

El Foro de Exportación 2014 en El Paso, TX es una ocasion exclusiva para conocer e indentificar nuevas oportunidades de negocios con empresas lideres en la industria de Manufactura de Equipo Original (OEM) y proveedores potenciales. Al mismo tiempo a travez de foros de asamblea usted tendra la oportunidad de conocer mas a fondo como el Recinto Fiscal de El Paso mejora y coordina las dinamicas dentro de la cadena de suministro para la industria Maquiladora en Mexico.

Sesiones de Asamblea

Expertos en la Industria de intercambio comercial entre Estados Unidos y Mexico presentaran temas para asistir a individuos de reciente ingreso y ejecutivos con vasta experiencia de como dar forma y estructura a sus negocios, comercio y estrategias de manufactura en El Paso y Cd. Juárez.

- Lideres en la industria presentaran el asombrante crecimiento y las oportunidades de participar en el auge de las cadenas de suministro de las industrias Automotriz, Aeroespacial y Electronica en Mexico.
- Entender a fondo como el Recinto Fiscal puede asistir aquellos que aun no han obtenido la Certificacion del Impuesto al valor agregado.
- Como el recinto fiscal trabaja con Maquiladoras para obtener la maxima reducción de costos.

Sesiones B2B

El Foro de Exportacion 2014 llevara a cabo citas programadas anticipadamente entre compradores and proveedores conocidas como B2B. El Programa dara oportunidad a participantes a identificar nuevos asociados potenciales y solicitar encuentros basados en sus selecciones.

- OEMs tendran cierta ubicacion asignada para que proveedores lleven a cabo sus encuentros en lapsos de 15 minutos cada uno. Este formato hara possible que compradores y proveedores se reunan, establescan nuevas conexiones y expandan su red de contactos.
